

Scape 39' Open Deck General Specification

The Scape 39' open deck is designed and developed to be the ultimate open deck catamaran for both you and your guests. The Scape 39' is incredibly easy to handle and can be sailed single handed. This fast and eco-friendly catamaran is low maintenance and ready to sail. There are various layout options available to suit your individual needs. These include fridges, seating arrangements and dagger boards and an option of a spray dodger. The Scape 39' is great for coastal and blue water sailing. As well as being the ultimate open deck vessel it is ideal for day charters. The Scape 39' is built with top quality products, using the latest technology and highest quality fittings. The Scape 39' can carry up to 40 passengers.
